Re: Legal Audit on the (Indirect) ownership of equity interests of WLTH Corp. in Agility Robotics, Inc.

I have written this legal audit (the “Legal Audit”) upon a request of WLTH Corp. (“WLTH”) regarding its indirect economic interest in Agility Robotics, Inc. (the “Company”) through its limited liability company interest in the Fund, a series of a Delaware limited liability company. The anticipated conclusion here is that, as of this date, following my review and subject to the stated assumptions and relevant legal considerations, I confirm that WLTH legally and beneficially holds a limited liability company interest in the Fund. The Manager’s Closing Certificate states that WLTH’s Client Ownership Percentage is 0.48% and its Equivalent Share Count is 664.85. The same certificate further states that these figures accurately represent WLTH’s limited liability company interest in the Fund, the sole asset of which is equity security interests in the Company. Consequently, through this mediated ownership chain via the Fund interest, WLTH holds an indirect economic interest in the Company corresponding to an equivalent share count of 664.85 as of the date of the Closing Certificate.

For the reasons explained above, this copy of the original Legal Audit does not indicate some sensitive information including but not limited to certain investment terms. Kindly be advised that the names of the files containing sensitive information, which were reviewed for the preparation of this Legal Audit, may have been modified accordingly.

I am an EU-qualified lawyer with deep expertise in blockchain technology and digital assets. Since 2020, I have advised a diverse range of DeFi and blockchain organizations, including DAOs, incorporated in various jurisdictions such as the USA, EU, Panama, Cayman Islands, BVI, and the RMI. My areas of focus include regulatory compliance, DeFi contracts, SAFEs, SAFTs, investment contracts, company formation, IP matters, and cybersecurity litigation.

The ownership structure in question involves WLTH's subscription for an Interest in the Fund. The Subscription Agreement provides that WLTH irrevocably subscribes for an Interest in the Fund and, if and when the Agreement is accepted by the Manager, WLTH becomes a Member of the Fund and is bound by the LLC Agreement as a Member of the Fund. The investment-specific definitions identify the Portfolio Investment as Agility Robotics, Inc.

I. Scope of Review

In rendering the opinions set forth herein, we have examined and relied upon originals or copies, certified or otherwise identified to our satisfaction, of the following documents (collectively, the "Reviewed Documents") which are listed below.

1. **AWLTH_CORP.pdf**: this document is a Closing Certificate dated 01/06/2026 relating to the Fund. 2. **Subscription Agreement_2aebf6fb-2f70-4083-a33a-f8f7506bcad7_1761726388.pdf / 68acedd7-5927-424a-9629-4f06a8081c74_wlth_corp.pdf**: these documents are subscription agreements for WPX Fund IV July 2025, a series of a Delaware limited liability company.
