Re: Legal Audit on the (Indirect) ownership of shares of WLTH Corp. in Vulcan Elements Inc.

I have written this legal audit (the “Legal Audit”) upon a request of WLTH Corp. (“WLTH”) regarding its indirect economic interest in Vulcan Elements Inc. (the “Portfolio Company”) through ownership of Series 29 (the “Series”), a Delaware Series Limited Liability Company. The anticipated conclusion here is that, as of this date, following my review and subject to the stated assumptions and relevant legal considerations, I confirm that WLTH legally and beneficially owns interests in the Series (certain investment terms are redacted in this public version).

This ownership corresponds to shares of Vulcan Elements Inc., as each individual Interest shall represent, and be directly tied to, one share in the Portfolio Company (i.e., Vulcan Elements Inc.). Consequently, through this mediated ownership chain via the Series Interests, WLTH holds an indirect economic interest in shares of Vulcan Elements Inc. as of today.

I am an EU-qualified lawyer with deep expertise in blockchain technology and digital assets. Since 2020, I have advised a diverse range of DeFi and blockchain organizations, including DAOs, incorporated in various jurisdictions such as the USA, EU, Panama, Cayman Islands, BVI, and the RMI. My areas of focus include regulatory compliance, DeFi contracts, SAFEs, SAFTs, investment contracts, company formation, IP matters, and cybersecurity litigation.

The ownership structure in question involves WLTH’s executed subscription for Interests in the Series. The Subscription Agreement provides that the Series’ sole investment will consist of shares of the Portfolio Company acquired by directly purchasing equity interests in the Portfolio Company.

I. Scope of Review

In rendering the opinions set forth herein, I have examined and relied upon originals or copies, certified or otherwise identified to my satisfaction, of the following documents (collectively, the “Reviewed Documents”) which are listed below:

1. **Non-disclosure Agreement:** this document is a non-disclosure agreement entered into between the receiving party and the disclosing party in connection with viewing and engaging with the offering materials and/or data rooms.
2. **Subscription Agreement (Signed):** this executed agreement sets forth the terms pursuant to which WLTH subscribes for interests in the Series and includes customary representations, warranties, risk disclosures, and contractual conditions (certain investment terms are redacted in this public version). It also specifies that the Portfolio Company is Vulcan Elements Inc., that the Series Underlying Assets are Series B preferred shares of the Portfolio Company, and that “each individual Interest shall represent, and be directly tied to, one share in the Portfolio Company.”
3. **Series Agreement:** this document constitutes the Series Agreement and identifies the Portfolio Company as Vulcan Elements Inc. and the Series Underlying Assets as Series B preferred shares of the Portfolio Company.

II. Assumptions

In our examination and for the purpose of this audit, we have assumed, without independent investigation or verification:

(a) The authenticity and completeness of all signatures on all documents submitted to us. (b) The genuineness of all documents submitted to us as originals, and the conformity to the originals of all documents submitted to us as copies. (c) The legal capacity, power, and authority of all parties (other than WLTH) to execute and deliver all documents. (d) The accuracy and completeness of all factual representations and warranties made in the Reviewed Documents. (e) That any acceptance/issuance mechanics, conditions, and timing requirements referenced in the Reviewed Documents have been or will be satisfied as applicable, and that the registers and records relevant to the Interests and the Series Underlying Assets are accurate and properly maintained in accordance with the laws of their respective jurisdictions.

III. Opinion

As of this date, following our review and subject to the stated assumptions and relevant legal considerations, we confirm that WLTH legally and beneficially owns interests in the Series.

The Reviewed Documents provide that: the Portfolio Company is Vulcan Elements Inc.; the Series Underlying Assets are Series B preferred shares of the Portfolio Company; and each individual Interest shall represent, and be directly tied to, one share in the Portfolio Company. Accordingly, through this mediated ownership chain via the Series Interests, WLTH is the rightful owner of shares in Vulcan Elements Inc. as of today.

IV. Qualifications and Limitations

This audit is limited to the matters expressly stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated. The opinions expressed herein are based on the facts and law as they exist on the date of this letter. We assume no obligation to update or supplement this legal audit to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur.

Very truly yours,
