To whom it may concern: this letter is the publicly available version of the Legal Audit provided to WLTH. Certain sensitive information, including the specific details of the SPV (as defined below), has been redacted. To request the complete, unredacted original Legal Audit, please contact WLTH directly. Re: Expert Legal Audit on the (Indirect) ownership of shares of WLTH Corp. in Anthropic PBC 7

I have written this Legal Audit upon a request of WLTH Corp. ("WLTH") regarding its ownership of shares in Anthropic PBC ("Anthropic"), through ownership of a series SPV vehicle (indicated as "SPV"). The anticipated conclusion here is that, as of this date, following my review and subject to the stated assumptions and relevant legal considerations, I confirm that WLTH legally and beneficially owns 667 issued and outstanding shares of SPV. This ownership corresponds to 667 shares of Anthropic. Consequently, through this mediated ownership chain via the SPV shares, WLTH is the rightful owner of 667 shares in Anthropic as of today.

For the reasons explained above, this copy of the original Legal Audit does not indicate some sensitive information including but not limited to the name and the details of the SPV. Kindly be advised that the names of the files containing the SPV's name or reference, which were reviewed for the preparation of this Legal Audit, have been modified accordingly. References to "SPV" will generally encompass the various entities that make up SPV, regardless of their specific roles within the transaction, and without further detailed specification.

I am an EU-qualified lawyer with deep expertise in blockchain technology and digital assets. Since 2020, I have advised a diverse range of DeFi and blockchain organizations, including DAOs, incorporated in various jurisdictions such as the USA, EU, Panama, Cayman Islands,

BVI, and the RMI. My areas of focus include regulatory compliance, DeFi contracts, SAFEs, SAFTs, investment contracts, company formation, IP matters, and cybersecurity litigation.

The ownership structure in question involves WLTH's direct ownership of the SPV, a series LLC special purpose vehicle incorporated under the laws of Delaware (USA), which in turn holds an investment corresponding to shares in Anthropic. There has been one deal which will be examined in this Legal Audit.

I. Scope of Review

In rendering the Legal Audit set forth herein, I have examined and relied upon originals or copies, certified or otherwise identified to my satisfaction, of the following documents (collectively, the "Reviewed Documents") which are listed below. The purchase of Anthropic shares through the SPV has been executed through one deal. The deal documents will be listed separately.

1. **Series Agreement.pdf**: this document establishes "SPV" as a Series Limited Liability Company created in August 2025. It sets the purpose of the series to acquire and manage shares of "Anthropic PBC" and defines the management structure under its parent company. The agreement also covers the terms for members, capital contributions, profit allocation, and eventual dissolution.
2. **"SPV" - Subscription Agreement - WLTH CORP (Executed).pdf**: this executed agreement confirms the subscription by WLTH CORP for 667 interests in SPV. It sets forth the relevant investment terms, including the number of interests acquired and the rights attached thereto. It further specifies that each individual interest in the SPV corresponds to one share in the underlying Anthropic portfolio. The agreement also contains standard representations, warranties, risk disclosures, and contractual conditions.

II. Assumptions

In my examination and for the purpose of this legal audit, I have assumed, without independent investigation or verification:

(a) The authenticity and completeness of all signatures on all documents submitted to me. (b) The genuineness of all documents submitted to me as originals, and the conformity to the originals of all documents submitted to me as copies. (c) The legal capacity, power, and authority of all parties (other than WLTH) to execute and deliver all documents. (d) The accuracy and completeness of all factual representations and warranties made in the SPV Officer's Certificate and in the other Reviewed Documents. (e) That the share registers of SPV and Anthropic are accurate and have been properly maintained in accordance with the laws of their respective jurisdictions.

III. Opinion

As of this date, following my review and subject to the stated assumptions and relevant legal considerations, I confirm that WLTH legally and beneficially owns 667 issued and outstanding shares of SPV. This ownership corresponds to 667 shares of Anthropic. Consequently, through this mediated ownership chain via the SPV shares, WLTH is the rightful owner of 667 shares in Anthropic as of today.

IV. Qualifications and Limitations

This audit is limited to the matters expressly stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated. The opinions expressed herein are based on the facts and law as they exist on the date of this letter. I assume no obligation to update or supplement this legal audit to reflect any facts or circumstances that may hereafter come to my attention or any changes in the law that may hereafter occur.

Very truly yours,

Paolo Maria Gangi, LL.M.
