Re: Expert Legal Audit on the (Indirect) ownership of shares of Discord Inc. through through a special purpose vehicle (the “SPV”)

I have written this Legal Audit upon a request of WLTH Corp. (“WLTH”) regarding its ownership of shares in Discord Inc. (“Discord”), through ownership of interests in a special purpose vehicle (the “SPV”). The anticipated conclusion here is that, as of this date, following my review and subject to the stated assumptions and relevant legal considerations, I confirm that WLTH legally and beneficially owns 225 issued and outstanding interests in the Series. Each such interest corresponds to one underlying share of Discord. Consequently, through this mediated ownership chain via the Series interests, WLTH is the rightful indirect owner of 225 shares of Discord Inc. as of today.

I am an EU-qualified lawyer with deep expertise in blockchain technology and digital assets. Since 2020, I have advised a diverse range of DeFi and blockchain organizations, including DAOs, incorporated in various jurisdictions such as the USA, EU, Panama, Cayman Islands, BVI, and the RMI. My areas of focus include regulatory compliance, DeFi contracts, SAFEs, SAFTs, investment contracts, company formation, IP matters, and cybersecurity litigation.

The ownership structure in question involves WLTH’s direct ownership of interests in a Delaware series limited liability company, which in turn holds shares in Discord.

I. Scope of Review

In rendering the Legal Audit set forth herein, I have examined and relied upon originals or copies, certified or otherwise identified to my satisfaction, of the following documents (collectively, the “Reviewed Documents”):

1. **Transaction Document 1:** this document records the completion of WLTH’s purchase of interests in the Series and serves as formal evidence of the transaction.
2. **Transaction Document 2:** evidencing the existence and recordation of the Series.
3. **Non-Disclosure Agreement:** governing confidentiality of information shared in connection with the investment.

II. Assumptions

In my examination and for the purpose of this legal audit, I have assumed, without independent investigation or verification:

- (a) The authenticity and completeness of all signatures on all documents submitted to me;
- (b) The genuineness of all documents submitted to me as originals, and the conformity to the originals of all documents submitted to me as copies;
- (c) The legal capacity, power, and authority of all parties (other than WLTH) to execute and deliver all documents;
- (d) The accuracy and completeness of all factual representations and warranties made in the Reviewed Documents; and
- (e) That the records of the Series and Discord Inc. have been properly maintained in accordance with applicable law.

III. Opinion

As of this date, following my review and subject to the stated assumptions and relevant legal considerations, I confirm that **WLTH legally and beneficially owns 225 issued and outstanding interests in the SPV.**

Each such interest corresponds to one underlying share of Discord Inc. Consequently, through this mediated ownership chain via the Series, WLTH is the rightful indirect owner of 225 shares of Discord Inc. as of today.

IV. Qualifications and Limitations

This audit is limited to the matters expressly stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated. The opinions expressed herein are based on the facts and law as they exist on the date of this letter. We assume no obligation to update or supplement this legal audit to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur.

Very truly yours,

Paolo Maria Gangi
