Re: Legal Audit on the (Indirect) ownership of shares of WLTH Corp. in Figure AI Inc.

I have written this legal audit (the “Legal Audit”) upon a request of WLTH Corp. (“WLTH”) regarding its indirect economic interest in Figure AI Inc. (the “Portfolio Company”) through ownership of the Series, a Delaware Series Limited Liability Company. The anticipated conclusion here is that, as of this date, following my review and subject to the stated assumptions and relevant legal considerations, I confirm that WLTH legally and beneficially owns 344 Interests in the Series. This ownership corresponds to 344 shares of Figure AI Inc., as each individual Interest shall represent, and be directly tied to, one share in the Portfolio Company (i.e., Figure AI Inc.). Consequently, through this mediated ownership chain via the Series Interests, WLTH holds an indirect economic interest corresponding to 344 shares of Figure AI Inc. as of today.

For the reasons explained above, this copy of the original Legal Audit does not indicate some sensitive information including but not limited to certain investment terms. Kindly be advised that the names of the files containing sensitive information, which were reviewed for the preparation of this Legal Audit, may have been modified accordingly.

I am an EU-qualified lawyer with deep expertise in blockchain technology and digital assets. Since 2020, I have advised a diverse range of DeFi and blockchain organizations, including DAOs, incorporated in various jurisdictions such as the USA, EU, Panama, Cayman Islands, BVI, and the RMI. My areas of focus include regulatory compliance, DeFi contracts, SAFEs, SAFTs, investment contracts, company formation, IP matters, and cybersecurity litigation.

The ownership structure in question involves WLTH’s subscription for Interests in the Series. The Series’ sole investment will consist of interests in one or more special purpose vehicles,

whether indirectly or directly, through one or more tiers of intermediary entities, which ultimately invest all or substantially all of their capital in Figure AI Inc.

I. Scope of Review

In rendering the opinions set forth herein, we have examined and relied upon originals or copies, certified or otherwise identified to our satisfaction, of the following documents (collectively, the "Reviewed Documents") which are listed below.

1. **Subscription Agreement - WLTH CORP (Signed).pdf:** this executed agreement confirms WLTH's subscription for 344 Interests in the series, and includes the applicable purchase price per Interest and related fees (redacted in this public version). The document also specifies that the Portfolio Company is Figure AI Inc., that the Series' underlying assets are up to 14,706 Series B preferred shares of the Portfolio Company, and that "each individual Interest shall represent, and be directly tied to, one share in the Portfolio Company."
2. **Series 12 - Series Agreement.pdf:** this document constitutes the Series Agreement for the series and identifies the Portfolio Company as Figure AI Inc. and the Series Underlying Assets as Series B preferred shares of the Portfolio Company.

II. Assumptions

In our examination and for the purpose of this opinion, we have assumed, without independent investigation or verification:

(a) The authenticity and completeness of all signatures on all documents submitted to us. (b) The genuineness of all documents submitted to us as originals, and the conformity to the originals of all documents submitted to us as copies. (c) The legal capacity, power, and authority of all parties (other than WLTH) to execute and deliver all documents. (d) The accuracy and completeness of all factual representations and warranties made in the other Reviewed Documents. (e) That the registers and records relevant to the Interests and the corresponding linkage to the Portfolio Company shares are accurate and have been properly maintained in accordance with the laws of their respective jurisdictions.

III. Opinion

As of this date, following our review and subject to the stated assumptions and relevant legal considerations, we confirm that WLTH legally and beneficially owns 344 Interests in the series. This ownership corresponds to 344 shares of Figure AI Inc., as each individual Interest shall represent, and be directly tied to, one share in the Portfolio Company (i.e., Figure AI Inc.). Consequently, through this mediated ownership chain via the Series Interests, WLTH is the rightful owner of 344 shares in Figure AI Inc. as of today.

IV. Qualifications and Limitations

This opinion is limited to the matters expressly stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated. The opinions expressed herein are based on the facts and law as they exist on the date of this letter. We assume no obligation to update or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur.

Very truly yours,
