To whom it may concern: this letter is the publicly available version of the Legal Audit provided to WLTH. Certain sensitive information, including the specific details of the SPV (as defined below), has been redacted. To request the complete, unredacted original Legal Audit, please contact WLTH directly. However, please note that WLTH is not obligated to share the original document and will only do so at its sole and absolute discretion.

Re: Expert Legal Audit on the (Indirect) ownership of shares of WLTH Corp. in xAI

I have written this Legal Audit upon a request of WLTH Corp. ("WLTH") regarding its ownership of shares in xAI Corp. ("xAI"), through ownership of two series SPV vehicles (jointly indicated as "SPV"). The anticipated conclusion here is that, as of this date, following my review and subject to the stated assumptions and relevant legal considerations, I confirm that WLTH legally and beneficially owns 5,837 issued and outstanding shares of SPV. This ownership corresponds to 5,837 shares of xAI. Consequently, through this mediated ownership chain via the SPV shares, WLTH is the rightful owner of 5,837 shares in xAI as of today.

For the reasons explained above, this copy of the original Legal Audit does not indicate some sensitive information including but not limited to the name and the details of the SPV. Kindly be advised that the names of the files containing the SPV's name or reference, which were reviewed for the preparation of this Legal Audit, have been modified accordingly. References to "SPV" will generally encompass the various entities that make up SPV, regardless of their specific roles within the transaction, and without further detailed specification.

I am an EU-qualified lawyer with deep expertise in blockchain technology and digital assets. Since 2020, I have advised a diverse range of DeFi and blockchain organizations, including DAOs, incorporated in various jurisdictions such as the USA, EU, Panama, Cayman Islands,

BVI, and the RMI. My areas of focus include regulatory compliance, DeFi contracts, SAFEs, SAFTs, investment contracts, company formation, IP matters, and cybersecurity litigation.

The ownership structure in question involves WLTH's direct ownership of the SPV, two series LLC special purpose vehicles incorporated under the laws of Delaware (USA), which in turn directly owns shares in xAI. There have been two deals which will be examined separately in this Legal .

I. Scope of Review

In rendering the opinions set forth herein, I have examined and relied upon originals or copies, certified or otherwise identified to my satisfaction, of the following documents (collectively, the "Reviewed Documents") which are listed below. The purchase of xAI shares through the SPV has been executed through two different deals. The two deals documents will be listed separately.

For deal 1

1. **xAI 2 - Series Agreement.pdf:** this document establishes "SPV" as a Series Limited Liability Company created in September 2025. It sets the purpose of the series to acquire and manage common shares of "X.AI Corp." and defines the management structure under its parent company. The agreement also covers the terms for members, capital contributions, profit allocation, and eventual dissolution.
2. **"SPV" - Subscription Agreement - WLTH CORP (Executed).pdf:** this executed agreement confirms the subscription by WLTH CORP for a specified number of interests in SPV. It sets forth the relevant investment terms, including the number of interests acquired and the rights attached thereto. It further specifies that each individual interest in the SPV corresponds to one share in the underlying xAI portfolio. The agreement also contains standard representations, warranties, risk disclosures, and contractual conditions.
3. **SPV - Trade Confirmation - WLTH CORP.pdf:** this document constitutes formal confirmation of the transaction between SPV and WLTH CORP and records the completion of the acquisition of the relevant interests. It serves as a transactional record evidencing completion of the investment.

For deal 2:

1. **xAI 3 - Series Agreement.pdf:** this document establishes "SPV" as a Series Limited Liability Company created in July 2025. It sets the purpose of the series to acquire and manage common shares of "X.AI Corp." and defines the management structure under SPV. The agreement also covers the terms for members, capital contributions, profit allocation, and eventual dissolution.
2. **SPV - Subscription Agreement - WLTH CORP (Executed).pdf:** this executed agreement confirms the subscription by WLTH CORP for a specified number of interests

in the relevant SPV. It outlines the applicable investment terms, including the number of interests acquired and the rights attached thereto. The agreement further specifies that each interest corresponds to one share in the underlying portfolio and includes customary representations, warranties, and risk disclosures.

3. **SPV - Trade Confirmation - WLTH CORP.pdf:** this document formally records the completion of the transaction between SPV and WLTH CORP and serves as a record of the acquisition of the relevant interests.

II. Assumptions

In my examination and for the purpose of this legal audit, I have assumed, without independent investigation or verification:

(a) The authenticity and completeness of all signatures on all documents submitted to me. (b) The genuineness of all documents submitted to me as originals, and the conformity to the originals of all documents submitted to me as copies. (c) The legal capacity, power, and authority of all parties (other than WLTH) to execute and deliver all documents. (d) The accuracy and completeness of all factual representations and warranties made in the SPV Officer's Certificate and in the other Reviewed Documents. (e) That the share registers of SPV and xAI are accurate and have been properly maintained in accordance with the laws of their respective jurisdictions.

III. Opinion

As of this date, following my review and subject to the stated assumptions and relevant legal considerations, I confirm that WLTH legally and beneficially owns 5,837 issued and outstanding shares of SPV. This ownership corresponds to 5,837 shares of xAI. Consequently, through this mediated ownership chain via the SPV shares, WLTH is the rightful owner of 5,837 shares in xAI as of today.

IV. Qualifications and Limitations

This audit is limited to the matters expressly stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated. The opinions expressed herein are based on the facts and law as they exist on the date of this letter. I assume no obligation to update or supplement this legal audit to reflect any facts or circumstances that may hereafter come to my attention or any changes in the law that may hereafter occur.

Very truly yours,

Paolo Maria Gangi
